

Here is a note from Bro A.J. Dummitt

As you all know, we got the approval to put together a picture directory for the ministry of the KY District. So the good news is that I will work to make sure we get all the formatting done and get it together as soon as possible. The not so good news is that I need your help to get all the pictures of the ministers (and wives if possible) in your sections. I realize that this is a TALL order, but I know you all can do it and do it quickly.

Many of you can email/call the pastors in your section and ask them to email you or mail you a recent picture of them (and their spouses if possible) for the directory. Your presbyters will also send out a letter or email on your behalf explaining that this has been commissioned by the District Board if you ask them too. The other strategy that I would suggest is to take a digital camera to your upcoming rallies and sectional events and take the pictures yourself.

If you cannot get their pictures, please let me know and I will see what I can do to help. If possible, I need to have all the pictures by the 14th of December. If you can send them to me via email with a description (what name goes with what picture) names and locations of ministry - that would be incredible. I realize that for some of you this will not be an easy task, but please try to view it as an opportunity to get to know the pastors in your section a little better. Remember to thank them for their SFC giving this year.

It is my goal to have these directories ready to send out AT CHRISTMAS time or by the first of the year with a little Christmas card and special SFC thanks from the KY District Youth Department. This would be a GREAT opportunity for us to do something nice for KY District and make a great impression while we are at it. It is going to happen, but we need your help to make it reality. Thanks in advance for all your help. The sooner you get on it the better, Thanksgiving will be here in a few weeks. God bless all of you.

For His Glory,

A.J. Dummitt

Please have your pictures in within the next two weeks. Thanks
