Dear Pastor,

I hope this letter finds you blessed and enjoying the Christmas season! Surely I am not the only one surprised at how quickly this year has flown by, but here we are again, anticipating a new year and exciting new opportunities.

Enclosed is the schedule of missionaries who will be deputizing in Kentucky in 2010. Please take a look and let me know whom you would like to have for services. Once again I would like to suggest that you consider scheduling a missions service on a quarterly basis. With thirty-five missionaries on the schedule (and very likely more to be added throughout the year) it is important that we faithfully open our doors to these ministries. If every church hosts four services per year we will be able to meet the needs of the families that visit our district.

I would also like to remind you of the Compassion Sunday offering that is received on the last Sunday of each February. This offering goes toward the efforts of Compassion Services International, an arm of the Foreign Missions Division that sends food, medicine, and qualified medical staff to areas around the world that are in need.

From our family to yours, we extend the hopes of a very merry Christmas, and pray that God's blessings will lead you to new heights in the new year!

Sincerely,

Rob Akers
