Praise the Lord,

I am excited about the new year approaching us! I feel that this year is going to be explosive with revival in our youth!!!

Some ideas we have in mind for this year are:

1. **A Section I praise team.** If you have any young people from your church that would like to be a part of this, please let me know. The goal is to have a praise group that sings at every rally, and it will give a young person the opportunity to be a part of the service. This will also bring unity in the section and support for the rallies.
2. **Banner Design.** Whoever brings the banner home with them will have a block on the banner to decorate, sign, etc., that will identify their youth group. The goal is to have every church put their marking on the banner. Note, it is the responsibility of each winner to return the banner at the following rally.
3. **May 7 Lock-In.** We are planning a lock in after the youth rally and the cost will be \$10 per young person, and \$5 for chaperones. We had a great success last year, and we look forward to another one this year.
4. **Kentucky Kingdom Sectional Youth Trip.** I think this would be a time of fun and fellowship. It will be held June 26. It is each churches responsibility to raise the money for their youth to attend, and the section will make the arrangements for the food, pavilion, and so forth. We plan on inviting the other sections as well. I will need to know no later than May 7, who will be attending.
5. **Back 2 School Music Fest.** This will be held at Greater Lighthouse in Madisonville, KY on August 27. There will be music, worship, expressions, food, games, and give a ways. The offering taken up for this event will go towards SFC.
6. **Sectional Outreach.** We want to have a sectional outreach for every church where there will be a rally. We can meet that Saturday prior, and promote the rally for that church. This will encourage our young people when they see God work through them. I want to say thank you for all the support this past year and all the kind words. I cannot do this without you, and the guidance from the Lord. Together, I know we can give more for SFC, win more young people, disciple more young people, and bless our young people. I have attached the notes from the sectional youth meeting, and hope that we as a section can turn our cities upside down as the Apostle's done.

God Bless You And The Youth Of This Great Section,
