Unity Begins in Section U!

Kentucky District

January / February 2010

Presbyter's Notes:

We are off to a great start in 2010! January was a month that was filled with fasting & prayer all over the entire Commonwealth. I hope you are as excited about the opportunities that are before us as I am. Jesus said in John 4:35 that "...the fields are white already to harvest." According to the Lord, the souls of men are ready for conversion & redemption. He prefaced that remark by saying "lift up your eyes." Brethren, that is the key! If we're looking up towards the Master, He'll lead us to the ones that are hungry! And, with all of the sacrifice that has gone up in the form of fasting & prayer, we can expect that He will be strategically leading His people to those who are ready. Let us keep the revival fires burning by re-dedicating ourselves, keeping our eyes on Jesus & allowing Him to lead us!

News & Information!!

Bro. Mark Sanders, our pastor in **Warsaw**, has experienced quite a bit of growth & has had to expand. He just finished a brand-new sanctuary & will be dedicating it to God's service on **Saturday, February 20th at 7pm**. This would be a wonderful time to 'rejoice with them that rejoice' & see what mighty things the Lord has been doing in Warsaw.

If you have unpaid sectional dues, please contact our sectional secretary, Pastor Alan Cundiff, so he can help you bring those current.

Thank-you for your support!

Bro. Leon Gill, our pastor in **Shelbyville**, has been diagnosed with a life-threatening disease called idiopathic pulmonary fibrosis. Simply put, this is a stiffening (or hardening) of the lung tissue & the only treatment is a lung transplant that can only be done in the last stages of this disease. There is no cure & the success rate for this procedure is very low. Brethren, it is at times like this that we need one another. Please reach out to them by sending a card, making a phone call, etc. & let them know that Section U is standing behind them with support, encouragement & prayers!
